

- Wanted to thank Tom Pickett of the Kilauea Bakery, the money that they are raising through the book sale out front goes to support our reading teacher and that's crucial to our school.
- If anyone wants to make a donation to our school, for instance there is no printer in our library and the PCNC position and no digital camera.

**f) North Shore Council**

- No report.

**g) Water Committee – Hope Kallai**

- No report.

**h) Transportation Committee**

- No report.

**i) Historic District Committee**

- No report.

**j) Communications Committee – Tom Pickett**

- Kilauea Joe wants your email address for the list.
- We would like to ask to boards opinion, we have two people who would like to record the meeting for Hoike to be broadcasted. Can someone like to make a motion to discuss it.
- ***A motion was made by Tim Kallai and seconded by Nicki Pignoli to have the meeting broadcasted on Hoike. Motion was made by Bill Troutman and seconded by Gary Pacheco to differ the motion a later date. Motion carried by nine in favor with no opposition or abstentions.***
- Tim and Scott are working on the town sign.
- The web page is getting better and facebook is gaining friends.
- The agenda will be put on the website and emailed.
- Rae Yadao-Butac is requesting their sign in sheet and minutes of the meeting.

**k) Mountain and Beach Access Committee**

- No report.

**l) Drug Awareness Program Committee – Nicki Pignoli**

- We made this committee, which a lot of people signed up because of what is happening in our community. We met on January 10<sup>th</sup> and posted it on Jim's bulletin board so in an effort to keep the meeting on time, I'll be giving a short synopsis of what the meeting was about and subsequent meeting that I attended with the community wide with the Drug Prevention Program and then we'll introduce the members of the Police force and the Attorney's Office who could answer some questions we have in this community.
- What we found out for this community is that there is a fantastic program we have in place by the Mayor's office and there is an anti-drug plan which everybody can download all of the over 170 page document but it's available on [Kauai.gov/antidrug](http://Kauai.gov/antidrug) and basically the communities' anti-drug program is a four prong approach. Basically the first prong is about education, the second prong is law enforcement, the third prong being medical and psychological treatment and the fourth prong being community integration of drug users in the program once they've established themselves in the community. You need all of the prongs supported in the community, Theresa Koki is the current anti-drug coordinator for Kauai and she was going to be here at tonight's meeting but had an emergency meeting in Waimea regarding problems over there. That
