Dear honorable Kauai County Council members,

The KNA strongly supports a public walking access thru the proposed Kahu'aina Plantation Subdivision.

We are concerned with a portion of the state right of way at the end of the proposed easement. We request the county to collaborate with the state to include a safe access to the water's edge.

We respectfully remind the county council to petition the state once again to establish the Historic Alaloa trail within the development area as it will provide a safe access to the water's edge as it was design to do.

We feel that a deferral is needed to insure that this community's concern for a safe access is properly addressed. We strongly suggest a site visit so that the council has a complete understanding of our safety concerns before a decision is made.

Mahalo nui loa,

Yoshi L'Hote
President
