Dear Mrs. Baron,

We have heard from the Kilauea School PTSA on numerous occasions about the condition and status of the Kindergarten-3rd grade playground.

Last August the play structure was condemned and later removed for the safety of the students because it was rusting away and falling apart. Kilauea School's PTSA and our community have worked very hard to raise enough money to help the students get a new play structure. PTSA raised \$25,000 in less than 9 months so that they would be able to open the 2014-2015 school year with the new play structure. This year, the annual Kilauea School fundraiser was aimed at raising funds for the playground. In addition, PTSA volunteers put buckets in local businesses to collect additional donations, bringing our total amount raised to \$25,000.

PTSA and our community upheld our end of the deal. We are asking that you please honor the agreement and get the play structure installed at Kilauea School this year. A reply to this email with updates or new information about our playground project would be greatly appreciated.

Respectfully,

Yoshi L'hote
President

Tricia Padilla
PTSA representative to the KNA
