Dear honorable Kauai County Council members,
The Kilauea Neighborhood Association is concerned that the proposed beach access easement currently being offered by Falko Partners may become a vehicular road. The KNA board and all 21 community members who attended our October meeting voted unanimously to support a safe access to the shoreline that was a "walking path".

We want to emphasize in this second letter that the KNA board and active community members do not want a vehicular road access to this sensitive shoreline.

In order to remain involved in determining the future shape of our neighborhood we respectfully request that our board president be notified in the next and any future site visits to this proposed access trail by county council members. Thank you for your work, we greatly appreciate your support of a public recreational access.

Mahalo nui loa,

Yoshi L'Hote
President
