Aloha Honorable Commissioners,

Regarding the application of Charles M. Somers and West Sunset 32 Phase 1, LLC for a Special Management Area use permit, a Use permit, and a Class VI Zoning Permit for real property situated in Kilauea, Kauai.

The Kilauea Neighborhood Association (KNA) has applied for intervener status. The community had spoken firmly and consistently against any development of this land and was very active in the previous contested case hearing. Accordingly, your predecessors had the sensitivity and respect to significantly scale back the initial building proposals and not allow building the managers house and barn. The current application now seeks to amend your previous condition.

We will, once again, contest the amendment as we see no difference in the current application as compared to 2008.

Respectfully yours,

Yoshito L'Hote
President
