Dear Mr. Mahoney and Kauai Planning commission members,

Following the July 20th Special meeting of the Kilauea Neighborhood Association the board has reached a decision to support, in principal, the Kilauea plateau sub-division application for Mr. Hay's property in Kilauea. Our support hinges on the condition of the community's wish to have representatives of the KNA board attend and participate in the meetings between the developer and the planning commission to help frame the recommendations that will be attached to said sub-division.

As this is a likely future expansion area for Kilauea town, we feel very strongly that we should be part of the discussion, ensuring our ability to voice the communities concerns and needs.

Mahalo for your consideration in this matter,

Yoshito LHote
