Dear Friends,

Thank you for your recent gift of \$100.00 on 11/19/2013 to support the life-changing work of The Salvation Army. You are one of our most faithful and generous friends, and you have my heartfelt gratitude for all you do to help those in need.

Your support means so many different things to the hurting neighbors we help. To a struggling family, your gift is the encouragement of a healthy meal. To an elderly woman, too frail to go out, it is a friendly visit and the knowledge that someone cares. And to a homeless man - a lonely soul with nowhere else to turn - it is the discovery of newfound hope, and a chance for a fresh start in life.

Since 1865, when our founder William Booth first shared God's love with destitute people living in cold alleyways, The Salvation Army has been caring for the overlooked by society. And this tradition has only been possible because of compassionate friends like you!

Friends, thank you again for standing with us to do the most good for the less fortunate in our community. Your gifts are truly a blessing for our neighbors in need.

With gratitude,

Major Mario P. Reyes  
Corps Officer

P.S. If you possibly can, please consider reaching out with an extra gift today to help even more suffering souls. God bless you for your caring concern!

Your gift to The Salvation Army will be used now and throughout the year to support Salvation Army services in our community.
