2440 Kolo Rd.
Kilauea, HI 96754

November 6, 2018

Aloha Neighbors,

Kilauea School will be conducting our annual School Evacuation Drill on Friday, November 9, 2018 at 8:30 AM. This year, we will be evacuating to the Kilauea Neighborhood Center. We alternate the practice evacuation site each year so that in a real emergency we have familiar evacuation sites in various directions.

Kilauea teachers and staff as well as the Kauai Police Department will assist the students in this drill by providing supervision and traffic control along the route. The route will be to exit the school campus using the back entrance gate and walking along the road to the back field of the Neighborhood Center. Once traffic is stopped, cars will not be allowed to proceed until all students have cleared the area. We hope this friendly reminder will allow you to plan in advance as needed.

In the event of weather concerns or heavy rain this evacuation will be postponed. If you have any questions or concerns, please feel free to contact me at 828-1212. Thank you for your cooperation and assistance regarding this school safety drill.

Sincerely,

Sherry Gonsalves, Principal
