Re: Use of the County of Kauai's portable stage and generator.

Sergeant-at-arms
Scott Mijares

The Kilauea Neighborhood Association in collaboration with the Kilauea School PTSA is coordinating the second annual Kilauea Day in the Park on Saturday, May 31st. Last years event, sponsored chiefly by the Kilauea Lighthouse Centennial Celebration committee, was a great success and having the county's portable stage in the center was a big help.

PTSA Rep.
Susan Keller

We hope you can help us this year by allowing us the use of the stage once again. If it can be delivered on Friday May 30th we will ensure that it is well secured overnight by a Kilauea Volunteer.

Mr. Mayor singing Hawaii Pono'i to the Kilauea crowd was a special treat last year. A song and dance is not presumed along with the stage delivery. However if the Kilauea Social Club did have such a special guest on stage this May 31st it would greatly boost their fame and self esteem.

Sincerely,

Gary Pacheco
Treasurer
