Aloha e Mr. Tabata,

Gary Smith and Mike Gushiken representing the Kilauea Japanese Cemetery Association attended the February KNA meeting. They presented a solution to recent vandalism and trespassing at the cemetery. The solution involves putting a gate up at the beginning of the county's Mihi road. The gate would limit access to the day light hours. It would be opened at dawn and locked at sunset there by discouraging use of the road after dark. The gate monitoring would be conducted by Seacliff subdivision security personnel. The item was discussed amongst the Kilauea Neighborhood Association board members and the with attending community members at the February 7 meeting and it was unanimously agreed to support their plan. We hope that you will help expedite the installation of the new gate for our community.

Mahalo for you time and attention,

Sincerely,

Yoshi L'Hote  
President
