This letter is to state the Kilauea Neighborhood Association's support for Kauai Community Federal Credit Union to bring a credit union branch to Kilauea. We recognize the high number of members that live on the north shore that would directly benefit from the credit union's new location as well as the new location's relief to Kuhio highway traffic. The KNA supports, in principal, the sub-division of the Kilauea plateau. The board agreed that the supposed location seems adequate although there are persistent concerns that best infrastructure planning and installation be in place prior to construction.

Mahalo,

Yoshito Lhote
